Standard Product Warranty

Yuanruizhi Decorative Materials (Shanghai) Co.,Ltd. (Unijoy) warrants its Unijoy brand nylon carpet products to the original end-use customer as stated below for a period of 15 years from the date of invoice. Unijoy brand carpet products are warranted against manufacturing defects resulting in excessive surface wear, edge ravel, backing separation, shrinking, stretching, cupping, doming, and static electricity.

Excessive surface wear means loss of more than 10% by weight of face fiber, assuming proper installation and maintenance strictly in accordance with Unijoy's Carpet Tile Installation Instructions and Carpet Tile Maintenance Guidelines, both of which can be found on Unijoy's website. Products containing antimicrobial agent are warranted to maintain antimicrobial effectiveness. Products constructed of 100% solution dyed yarns are warranted against excessive color loss due to normal exposure to indoor light. All installations must be completed strictly in accordance with Unijoy's Carpet Tile Installation Instructions. In all installations, there must be no visible moisture on the surface of the concrete slab. Archived written and photographic evidence of moisture and alkalinity test results must be maintained by original end-use customer.

This warranty does not cover tears, burns, cuts, pulls or other damage, deterioration, problems or loss caused by abuse, neglect, misuse, improper installation, improper maintenance, flood, use on stairs, or use with athletic equipment, or installations over substrates where hydrostatic pressure or groundwater intrusion exists. Moisture and pH testing at the installation site are not the responsibility of Unijoy, and issues related to or arising from excessive moisture and/or pH are specifically excluded from this warranty except as expressly set forth herein and in Unijoy's installation instructions. This warranty does not cover any problems or damages arising from or related to the use of adhesives or non-recommended installation techniques or conditions.

If a product fails to perform as warranted, Unijoy will correct the problem in the affected area either by repair or (at its option) replacement with comparable products(s) at no charge to the customer (the customer must provide reasonable cooperation to facilitate Unijoy repair or replacement in the affected area). Warranty claims must be made in writing to Unijoy within a reasonable time from the discovery of the claimed warranted defect, but in any event they must be received no more than 90 days from the time the claimed defect was discovered. Warranty claims must be addressed to: Services Department, Yuanruizhi Decorative Materials (Shanghai) Co., Ltd. No.2777 Shengang Road, Songjiang District, Shanghai. Warranty claims must include contemporaneous documentation that all warranty conditions were and continue to be met. This warranty will be void if its terms are not followed. No person other than an officer of Unijoy may authorize a waiver or modification of the terms of this warranty, which must be in writing and signed by that officer.

The warranty, remedy and limits of liability contained herein are expressly in lieu of and exclude all other warranties, remedies and liabilities, whether express or implied. Unijoy makes no other representations or warranties, express or implied, and hereby disclaims any and all other warranties that may arise by operation of law, including, without limitation, and warranty of merchantability or fitness of its products of any particular purposes. Note that some jurisdictions do not permit disclaimers of some implied warranties, so your rights may be different than stated herein. Unijoy will not be liable for any incidental, indirect, special or consequential damages in any case.
